

ADAPT Wellbeing Center

Architect: Feeler S. Architects
Contractor: RFC Industries
Location: St. Louis, Missouri

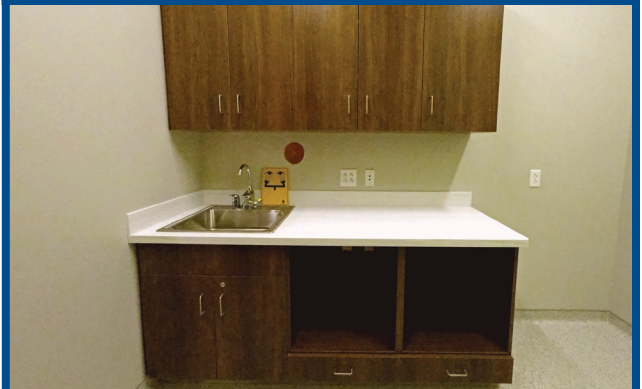

Cooperworks partnered to build a modern mental health clinic for the Compass Health Network Company featuring innovative design concepts and custom casework. This clinic set a new standard in healthcare aesthetics and functionality by combining the rich appearance of Pinnacle Walnut plastic laminate with the durability of Arctic Drift and Leche Vesta solid surface countertops.

Plastic Laminate Casework: Wilsonart Pinnacle Walnut High Pressure Laminate (HPL), Wilsonart Designer White Oval HPL

Countertops: Wilsonart Arctic Drift Solid Surface, Wilsonart Leche Vesta Solid Surface HPL

Spaces: Reception Area, Breakroom, Kitchen, Restroom, Lab

Our passion. Your vision. Delivered to perfection.
