

Architectural Design Guild Office

Architect: Architectural Design Guild

Contractor: RK Builders

Location: Maplewood, Missouri

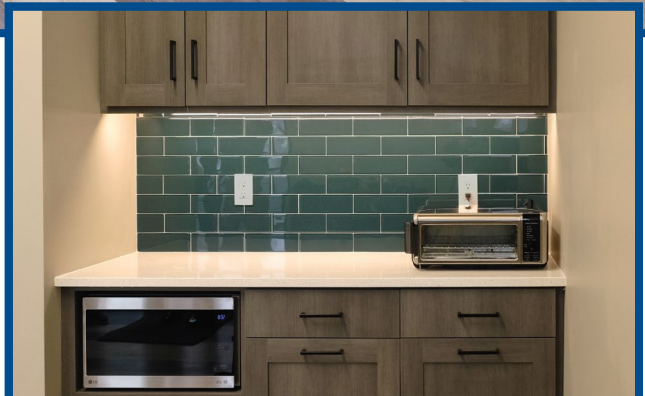

Architectural Design Guild selected Cooperworks to build casework for their Maplewood, Missouri office. The contemporary design seamlessly integrated the sophisticated look of Phantom Charcoal High-Pressure Laminate (HPL) with Sparkling White Solid Surface, creating an inviting environment for the creative team. Incorporating 5-piece shaker doors with self-close hinges struck the perfect balance between style and functionality, enhancing the overall performance of the space.

Plastic Laminate Casework: Wilsonart Phantom Charcoal HPL

Countertops: Corian Sparkling White Solid Surface

Spaces: Kitchen, Breakroom, Copy Room

Our passion. Your vision. Delivered to perfection.
