

# Cardinal Glennon SSM Health Danis Pediatrics

**Architect:** The Lawrence Group

**Contractor:** Interface Const.

**Location:** St. Louis, Missouri

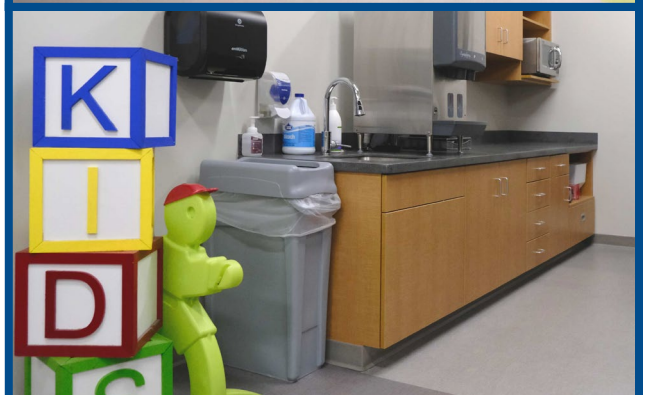

Cooperworks collaborated to transform the SSM Health Cardinal Glennon Danis Pediatric Center's registration area. Combining plastic laminate casework with a range of colored contemporary countertops helped create a warm and welcoming space for patients and their families. The new design overhaul also facilitated a smoother workflow for the dedicated staff to improve operations.

**Plastic Laminate Casework:** Wilsonart Crisp Linen High-Pressure Laminate (HPL), Wilsonart Monticello Maple HPL

**Countertops:** Corian Dove Solid Surface, Corian Lava Rock Solid Surface, Corian Ash Concrete Solid Surface, Corian Glacier White Solid Surface, Cambrian Kirkstead Quartz

**Spaces:** Front Reception Desk, Patient Exam Rooms, Printer Station, Breakroom
