

Carlyle Elementary School

Conference Room, Classes & More

Architect: FGM Architects
Contractor: Brockmeier Const.
Location: Carlyle, Illinois

Cooperworks collaborated on updating several classrooms, a reception area, and a counselor's office for the Carlyle School District, delivering a sleek and functional design. When the owner requested a last-minute cabinet design change, our team quickly adapted the arrangement on-site and kept the project on schedule.

Casework: Formica Neutral Twill High-Pressure Laminate (HPL)

Countertops: Formica Luna Bright White Solid Surface

Spaces: Conference Room, Counselor's Office, Science Classroom, Other Classrooms, Reception Area

Our passion. Your vision. Delivered to perfection.
