

# Compass Health

## Two Reception Areas & More

**Architect:** Simon Associates Inc  
**Contractor:** RFC Industries  
**Location:** Union, MO

Cooperworks partnered to build a modern mental health clinic for the Compass Health Network featuring innovative design concepts and custom casework. Together, the team maximized the existing space, created an elegant custom reception desk with seamless mitered countertops, and tackled a late design request for extra cabinets—all while delivering on time and on spec.

**Casework:** Wilsonart Pinnacle Walnut High-Pressure Laminate (HPL)

**Countertops:** Wilsonart “Morning Ice” Solid Surface

**Spaces:** Reception Area, Work Rooms, Break Rooms, Lab, Nurses Station, Hall Alcove
