

# Compass Health Festus Healthcare Facility

**Architect:** Feeler, S. Architects

**Contractor:** Russell Group, Inc.

**Location:** Festus, MO

We're excited to share our largest healthcare project to date, a full remodel for Compass Health in Festus, MO, completed in collaboration with Russell Group, Inc. and Feeler, S. Architects. This project featured 12 foot high Corian-wrapped columns, radius welcome desks, and thermoformed Corian low-wall dividers, along with custom pharmacy storage solutions and full ADA compliance. The result is a clean, efficient space that supports both care and comfort. Proud to bring this vision to life!

**Plastic Laminate Casework:** Wilsonart Pinnacle Walnut High Pressure Laminate (HPL), Wilsonart Pepperdust (HPL), Wilsonart Vapor Strandz (HPL), Wilsonart Leche Vesta (HPL)

**Countertops:** Corian Everest Solid Surface (SS), Wilsonart Paris Fog (SS), Corian Limestone Prima (SS)

**Spaces:** Entrance/Waiting Area, Reception Areas, Doctor's Office, Dentist's Office, Pharmacy, Treatment Rooms, Nurse's Stations, Event Lobby, Lab, Break Rooms

*Our passion. Your vision. Delivered to perfection.*
