

FOSS Swim School

Registration Area & more

Architect: : RoehrSchmitt Architecture

Contractor: Echelon Constructors

Location: Creve Couer, Missouri

Cooperworks was selected as the commercial millworker for the latest FOSS Swim School in St. Louis. Bringing together the distinctive Daffodil plastic laminate cabinets with the sleek solid surface speckled countertop created an inviting atmosphere for the community's newest swimmers, blending fun and functionality seamlessly.

Plastic Laminate Casework: Aborite Daffodil High-Pressure Laminate (HPL)

Countertops: Cloud White Quartz, Avonite Artica Solid Surface

Spaces: Registration Area, Staff Room, Changing Area, Hair Drying Station

Our passion. Your vision. Delivered to perfection.
