

Heartland Veterinary Hospital

Front Reception Desk & More

Architect: Henderson Architects

Contractor: RW Boeker Const.

Location: Edwardsville, Illinois

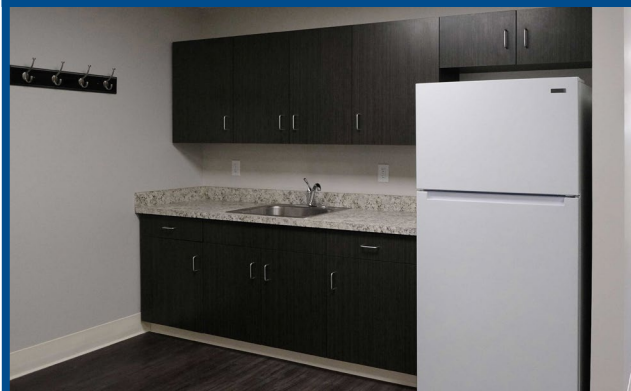

Teaming up with passion and expertise, Cooperworks partnered to redesign Heartland Veterinary Hospital's reception area and breakroom into sleek, modern spaces. Complete with a cutting-edge reception desk and cabinets crafted with precision and style using Wilsonart Asian Night plastic laminate and particle board countertops. Every detail was meticulously curated to reflect the hospital's commitment to service excellence.

Plastic Laminate Casework: Wilsonart Asian Night High-Pressure Laminate (HPL)

Countertops: Wilsonart Typhoon Ice (HPL)

Spaces: Front Reception Desk, Patient Exam Rooms, Printer Station, Breakroom

Our passion. Your vision. Delivered to perfection.
