

Homes at Lucerne - Lot 3

Kitchen, Bathrooms and More

Architect: Braddock Architectural Services

Contractor: BUILT. By MJ Holland

Location: O'Fallon, Illinois

Cooperworks was chosen to deliver custom casework for the stunning new single-family homes at Lucerne in O'Fallon, IL! With four unique floor plans, future homeowners can truly make their space their own by selecting from a range of colors and textured finishes. Cooperworks recently completed one of the homes, showcasing granite, quartz, and cultured marble countertops, along with Aliso Tokaj Alder finish, and Black Rain High-Pressure Laminate (HPL) cabinets accented with brushed gold and black metal handles. This combination of style and functionality delivered high-quality, long-lasting casework for the proud new owners.

Plastic Laminate Casework: Aliso Tokaj Alder Finish HPL, Black Rain HPL

Countertops: Steel Gray Granite, Ijen Azul Quartz, Grey Whisper Cultured Marble, White Wave Rectangular Bowl

Spaces: Kitchen, Bathrooms, Laundry Room

Our passion. Your vision. Delivered to perfection.
