

Monroe County Courthouse Courtroom & Offices

Architect: Quadrant Design Inc.
Contractor: Middendorf & Reuss
Location: Waterloo, IL

Cooperworks and Middendorf & Reuss Construction recently completed a courthouse remodel, blending the warmth of natural wood with durable, versatile laminate. The courtroom features carefully crafted wood finishes and precision laminate casework, enhancing both aesthetics and long-lasting performance. Offices were also updated with laminate and modern surfaces, creating a cohesive, functional, and professional environment throughout the courthouse.

Plastic Laminate Casework: Formica Acajou Mahogany High Pressure Laminate (HPL) & Wilsonart Veranda Teak (HPL)

Countertops: Wilsonart Luna Night (HPL)

Wall Treatments: Red Oak Tambour Veneer with custom stain

Spaces: Courtroom, Reception Area, & Offices

Our passion. Your vision. Delivered to perfection.
