

# The Smile Shoppe Dental Office

**Architect:** Mission Architects  
**Contractor:** Kevlind Contracting  
**Location:** Highland, Illinois

Cooperworks once again partnered with Kevlind Contracting LLC and Mission Architects to deliver a full remodel of The Smile Shoppe. From the welcoming curved reception desk to the waiting area, offices, treatment rooms, lab, and break room, the modern and serene color scheme creates a clean and calming atmosphere. Every detail of the casework was thoughtfully designed to streamline staff workflow and elevate the patient experience.

**Plastic Laminate Casework:** WilsonArt Designer White High-Pressure Laminate (HPL), WilsonArt Carbon Mesh HPL, WilsonArt Valley Forge Elm HPL, Pionite Bridal Blanco HPL

**Countertops:** WilsonArt White Carrara HPL, Wilsonart Designer White Solid Surface

**Spaces:** Reception Area, Waiting Area, Private Consult Rooms/Offices, Treatment Rooms, Lab, Break Room

*Our passion. Your vision. Delivered to perfection.*
