

# US Military Operation Conference Center

**Contractor:** MKB Construction  
**Location:** Illinois

Cooperworks was selected as the commercial casework manufacturer to create and install a cutting-edge conference center at a US military operation. Cooperworks and sister company, MAC Medical, blended the modern elegance of quartz countertops with the rich warmth of laminate woodgrain and aluminum accents for a welcoming meeting space. Stainless steel casework was chosen for the kitchen, ensuring durability and a polished appearance.

**Plastic Laminate Casework:** Wilsonart Columbian Walnut Thermally Fused Laminate (TFL)

**Countertops:** Cambria Armitage Quartz

**Spaces:** Reception Area, Kitchen
