

Valley Park City Hall

Townhall Meeting Room & More

Architect: Archimages, Inc.

Contractor: Layneco Const. Services

Location: Valley Park, Missouri

Cooperworks was selected as the commercial millworker for the new Valley Park City Hall creating a welcoming community space using a unique mix of materials throughout the building including quartz, solid surface countertops, and contemporary plastic laminate finishes. The project's highlight is the large, modern town hall meeting room for staff and residents to enjoy.

Plastic Laminate Casework: Wilsonart Vapor Strandz High-Pressure Laminate (HPL), Wilsonart French Linen HPL, Wilsonart Figured Mahogany HPL, Wilsonart Black HPL

Countertops: Corian Carbon Aggregate Solid Surface, Corian Arctic Ice Solid Surface, Cambria Newport White Quartz, Cambria Summerhill Quartz

Spaces: Meeting Rooms, Town Hall Meeting Room, Breakroom, Workstations, Payment Stations, Restroom

Our passion. Your vision. Delivered to perfection.
