

# Villas at Thomas Pointe

## Multi-Family Villas

**Architect:** Braddock Arch. Services

**Contractor:** GC Holland Inc.

**Location:** O'Fallon, Illinois

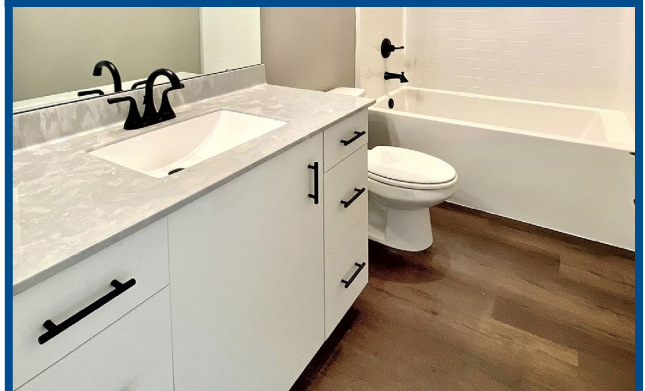

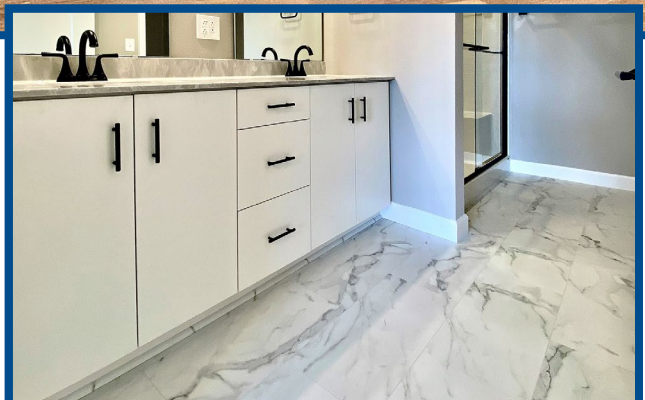

Cooperworks collaborated on the design and construction of casework for a new villa community, showcasing the contractor's signature cutting-edge style. By opting for the flexibility and durability of plastic laminate over traditional wood, each villa features a contemporary black-and-white look that will last, including frameless thermally fused laminate (TFL) cabinets with soft close hinges and drawer slides, solid surface kitchen countertops, and cultured marble (made from polyester resin) bathroom countertops and sink.

**Plastic Laminate Casework:** Wilsonart Linen TFL, Wilsonart Pearl White Rain TFL, Wilsonart Black Rain TFL

**Countertops:** Custom Marble: Silver Frost Culture Marble, Custom Marble: Solid White Integral Wave Vanity Bowl, Wilsonart Frosty White Mirage Solid Surface

**Spaces:** Kitchen, Bathroom

*Our passion. Your vision. Delivered to perfection.*
