

WagMore Animal Hospital

Complete Renovation

Contractor: Jim Bollmeier
Location: St. Charles, Missouri

Blending creativity and craftsmanship, Cooperworks and MAC Medical joined forces to renovate WagMore Animal Hospital's interior into contemporary, functional spaces. Highlighted by a striking treatment area and tailored cabinetry, the design incorporates Wilsonart 7998K-18 Low Line High Pressure Laminate (HPL), along with Solid Surface 9115GS Zen Grey and Stainless Steel countertops. Each component was thoughtfully chosen to showcase the hospital's focus on quality care and a polished, inviting environment.
